PURPOSE OF SIA PLAN

“To initiate a transformational process to engage stakeholders, city staff, and members of the greater community in the future of the Strategic Investment Area.”
WHAT SIA PLAN IS DESIGNED TO DO

- To provide guidance for future redevelopment and investment in the area
- Improvements to affordable housing, including existing public and assisted housing
- Improved connections throughout the area
- Recommend strategies for expanding employment opportunities
WHAT SIA PLAN IS NOT DESIGNED TO DO:

- Displace or relocate people
- Deny residents the opportunity to participate in the planning process
- Encourage incompatible development/redevelopment
- Demolish Public Housing Units and not replace them in FULL
- Encourage a system of economic injustice
Population increased from 2,607 in 2000 to 2,968 in 2012, up 13.8%, while Citywide population went down by 2%.

During the same period, white population rose from 45.2% to 54.2%, up by 429 people, and African-American population declined from 51.1% to 38.8%, down by 180 persons. Although the number was insignificant, the number of Asian population increased from .05% to 1.7%, up by 39 persons, and Hispanic population rose from 2.7% to 5.3%, up by 85 persons.

The average household size declined from 2.32 in 2000 to 2.13 in 2012, down 8.2%

The average household income rose from $30,893 in 2000 to $40,165 in 2012, up 30%; compared to 25.3% for the City of Charlottesville.

Owner-occupied homes declined from 37% in 2000 to 35.3% in 2012. The Citywide owner-occupied homes also declined from 40.8% to 38.3%.

Majority of the houses in both the SIA and City are renter-occupied
RENEWED INTERESTS & PUBLIC POLICIES

- City Council adopted SIA Plan on February 3, 2014
